MEMORANDUM FOR: Mr. John M. Maury, Legislative Counsel

SUBJECT: Senator Case's Inquiries Regarding RFE,  
Radio Liberty and the Status of the  
Katzenbach Recommendations

1. Attachment 1 is a briefing paper that Assistant Secretary Abshire intends to use with Senator Case when he can get a private appointment with him. This paper has been fully coordinated with us and up the line to Alexis Johnson in the Department.

2. Attachment 2 is a letter in reply to Senator Case's separate query regarding the Katzenbach recommendations on which we have coordinated and with which we have no problem.

3. I should add that both the Department and USIA Director Shakespeare have been entirely cooperative and positive in their handling of this problem with us. I will let you know promptly if Senator Case has any further questions after Abshire has met with him.
